Today is the first anniversary of the resolute and militant struggle led by Comrade Bill Shpikula, supported by Comrade Susan Herzog and four other comrades, to disseminate MAO TSETUNG THOUGHT at the place of work and confront the bourgeois reactionary authorities. Comrade Bill Shpikula resolutely defended the right of the working class to disseminate MAO TSETUNG THOUGHT and politically organise at the place of work. He fought every inch of the way, right through the U.S. imperialist lackey courts, reactionary jails and the fascist psychiatrists and never flinched. By his stand he exhibited the staunch proletarian revolutionary spirit of the Canadian working class and opened an entirely new path in the history of Canada - the path of anti-imperialist revolution and socialism.

Today is also the first anniversary of the historic rally organised on December 30th, 1969, by the Canadian Friends of China Association in support of the People's Republic of China, Marxism-Leninism Mao Tsetung Thought and Chairman Mao. Over four hundred communist revolutionaries and their supporters took part and opened a new era of friendship between the Canadian working class and people and the Chinese working class and people. On this day speaker after speaker stressed the great revolutionary importance of the People's Republic of China as the bright red bastion of world anti-imperialist-socialist revolution and the greatest guarantee of peace and the progressive march of history. The hall resounded with the revolutionary slogan: CHINA'S CHAIRMAN IS OUR CHAIRMAN! CHINA'S PATH IS OUR PATH!

One year ago in Vancouver the communist revolutionaries summed up the experience of the mass democratic anti-imperialist revolution in Canada, adopted the draft political report and the general line for the Canadian Communist Movement (Marxist-Leninist) which was later adopted as the POLITICAL REPORT OF THE COMMUNIST PARTY OF CANADA (MARXIST-LENINIST). This political report summed up the revolutionary struggles waged in the 1960's against revisionism and dogmatism and ushered in the great 1970's with a clear perspective for the Canadian mass democratic anti-imperialist revolution. This report criticised and repudiated the revisionist muck presented by a social democratic and reformist party treacherously calling itself the "Communist" Party of Canada, defiling the sacred name of the party of the proletariat.

It was also in Vancouver, exactly one year

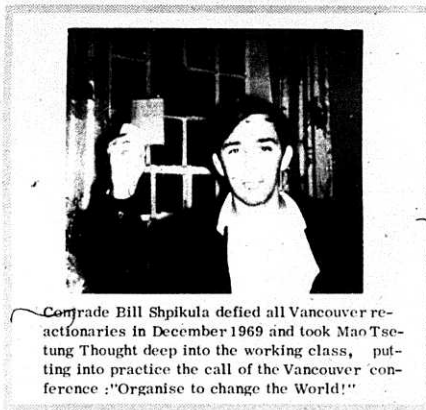

ago, where the communist revolutionaries charted the revolutionary programme of building the THREE REVOLUTIONARY MOVEMENTS and spreading the anti-imperialist revolution from one coast to the other.

During this one year of the decade of liberation the Canadian working class and people have

On December 30th, 1970, over 400 communist revolutionaries and their supporters in Vancouver ushered in the great 1970's by proclaiming that revolution, led by the People's Republic of China and Chairman Mao, is the main trend in the world today. "China's Chairman is our Chairman! China's path is our path!" were the correct slogans expressing the sentiment of the broad masses present that night.

won tremendous victories. Today, five of our close comrades are in the comprador jails symbolising the struggles which have been daily waged all through the year: Comrade Bill Shpikula is in the B.C. Penitentiary serving over two and a quarter years of jail for defending the right to disseminate MAO TSETUNG THOUGHT

Comrade Bill Shpikula defied all Vancouver reactionaries in December 1969 and took Mao Tsetung Thought deep into the working class, putting into practice the call of the Vancouver conference: "Organise to change the World!"

and POLITICALLY ORGANISE at the place of work; Comrade Rick Hundal is in jail in Oakalla serving a one month jail sentence for opposing fascist attacks at the U.B.C. campus and persisting in disseminating Mao Tsetung Thought against all odds; Comrade Dave Johansson is incarcerated in Oakalla for one month for denouncing in front of the people a local bully and an avowed fascist; Comrade Barbara Biley

is thrown for 9 months into the comprador jails for resisting the attack of Trudeau's hired goons on Progressive Books and Periodicals Ltd., in Toronto as well as on the private residence on top; Comrade Harsh Chadda is awaiting deportation in Toronto for opposing U.S. imperialism on May 9th and for fighting for the right to disseminate revolutionary literature among his compatriots from India. These five cases exemplify the heroism with which the Canadian working class and people are standing up for their rights. Elsewhere, over twenty people are awaiting "trial", three of our comrades are in jail in Winnipeg for putting up revolutionary posters and several others (especially of Afro-Asian origin) are being harassed for opposing U.S. imperialist domination of Canada and for defending their democratic rights.

During this short period of one year the THREE REVOLUTIONARY MOVEMENTS have surged forward all over Canada. From Vancouver to Halifax mass democratic struggles opposing fascist rules and regulations broke out in the Universities. Several young workers waged mass democratic struggles at the place of work and denounced the reactionary bourgeois authorities. Mass democracy meetings developed in all major cities in Canada in which U.S. imperialism and their lackies; the fascists, social fascists and the lackey police and their masters the Canadian compradors were soundly denounced. All efforts on the part of the fascists, social fascists and the lackey police to repress our comrades and friends have come to naught. Time and time again they were resisted, fought against and denounced by the communist revolutionaries disseminating Mao Tsetung Thought.

The first year of the great 1970's is coming to a close and already the slogans are appearing all over Canada: BUILD THE THREE REVOLUTIONARY MOVEMENTS! GET ORGANISED FOR NATIONAL WAR AGAINST U.S. IMPERIALISM AND DEFEAT THE REACTIONARY CIVIL WAR OF THE CANADIAN COMPRADORS TO SUPPRESS THE NATIONAL LIBERATION STRUGGLE OF QUEBEC! The year is coming to a close when the Canadian compradors attempted to repress our Party with over 120 unjust assaults and arrests of our members and supporters. Many of them were beaten up by the hired goons in jails, several were tortured by the reactionary torture experts known as "psychiatrists" and several were unjustifiably forced to pay ransom for their release; sev-

revolutionary intellectuals were expelled from universities and high schools; and a vicious anti-communist crusade launched by hired hack writers in the imperialist press, whose profession it is to concoct lies and spread other criminal slanders in order to promote themselves as lackeys and join the hardened criminal class of traitors. In spite of all these attacks, our comrades persisted in disseminating Mao Tsetung Thought, opposing fascist rules and regulations and denouncing U.S. imperialism for its towering crimes against humanity. THIS IS A GREAT VICTORY FOR THE CANADIAN WORKING CLASS AND PEOPLE AND FOR MAO TSETUNG THOUGHT! pradors and their masters, the U.S. imperialists. It is a big slap in the faces of the worms of the holy alliance of the "left" who were making shrill noises that "it is better to be outside than in jails" and were shaking like fig leaves at the mere sight of the lackey police. Our comrades and supporters have taken up this whole flock of hens pecking on dung in the backyard of the working class movement and have proved 1) that the Canadian working class and people are not afraid of the Comprador jails, and 2) will pay any price to organise against U.S. imperialists and that when one of the revolutionaries is in jail, the Canadian working class and people will give rise to another one to take his place.

On May 18, over 300 people attended a mass democracy meeting in Stanley Park in Vancouver, to denounce police harassment of sellers of Mass Line in the park the day before.

To honour this great year of the great 1970's we send our revolutionary regards: Comrades, because you stood eyeball to eyeball to the attacks of the fascists, social fascists and lackey police you have become a living example of the revolutionary potential which is seething like a volcano in Canada. LONG LIVE ALL THE REVOLUTIONARY COMRADES AND FRIENDS WHO CAME FORWARD IN THE FIRST GREAT YEAR OF THE GREAT 1970's TO DARE TO DEFY ALL DIFFICULTIES AND FEARING NEITHER HARDSHIP NOR DEATH PERSISTED IN DEVELOPING THE THREE REVOLUTIONARY MOVEMENTS! LONG LIVE THE REVOLUTIONARY SPIRIT OF OUR COMRADES!

Opposing fascist attacks on Progressive Books & Periodicals in Toronto, December 1st, Comrade Barbara Biley fought the lackey police in a fearless manner. Comrade Barbara, Chairman of the Canadian Student Movement, was sentenced to 9 months for resolutely standing up for what is right.

In spite of fascist, social-fascist and police attacks, like above in Montreal, August 30th, Progressive Books & Periodicals continues wholeheartedly serving the people.

The year 1970 was the great year of the great revolutionary upsurge. This revolutionary upsurge forced lackey Trudeau to abandon cities from his "meet the people programme" and forced him to rendezvous in the wilderness. This revolutionary upsurge put the whole of Anglo-Canadian reaction into passivity and they were forced to run around organising fascist police and militia for a last ditch struggle before extinction. This revolutionary upsurge forced the Canadian compradors to run hysteria in their press about the rising revolutionary struggle, the utter isolation of their lackey police and showed their inability to provide an issue through which they could divert the attention of the Canadian working class and people from revolution. This revolutionary upsurge also scattered the ranks of the holy alliance of the "left" They also are running here and there in desperation convincing some chance individuals

that they are "revolutionaries". THIS REVOLUTIONARY UPSURGE HAS BROUGHT ANTI-IMPERIALISM INTO THE LEADING POSITION AND ALL GROUPS, INDIVIDUALS AND PARTIES ARE FORCED TO TAKE SIDES.

The situation in Quebec is excellent and this has further scared the U.S. imperialists and the Canadian compradors. The first year of the 1970's has brought the Communist Party of Quebec (Marxist-Leninist) to Quebec and the Quebec people are en-

gaged in a national liberation struggle. With the total exposure of castroute tactics, the Quebec people prepared themselves through many struggles to move the struggle forward into an open offensive a-

against Anglo-Canadian colonialism and U.S. imperialism.

Not accepting defeat of their servile policies, the Canadian compradors, under the instigation of the U.S. imperialists, are making feverish preparations for a reactionary civil war in order to use the Canadian working class and people to attack the Quebec working class and people. To make sure that the compradors do not succeed in their nefarious schemes, the Canadian people are escalating their fight against U.S. imperialism and their lackies under the revolutionary slogan: GET ORGANISED FOR NATIONAL WAR AGAINST U.S. IMPERIALISM AND DEFEAT REACTIONARY CIVIL WAR OF THE CANADIAN COMPRADORSTO SUPPRESS THE QUEBEC PEOPLE! The first year of the 1970's has shown that the Canadian compradors will not be able to build the reactionary civil war while preparation

for national war against U.S. imperialism is already high. The coming year will bring the wrath of the Canadian people against the notorious NORTH AMERICAN AIR DEFENCE TREATY, a pact by which the U.S. imperialists control the armed forces of Canada. Targets will also include the U.S. imperialist monopolies, U.S. imperialist cultural institutions and attacks on the "visits" of U.S. imperialist politicians. Workers will organise themselves to oppose the U.S. imperialist controlled

unions and throw the imperialist rules and regulations into the dustbin of history by developing mass democratic anti-imperialist struggles at the place of work. Revolutionary intellectuals and youth will continue denunciations of the decadent bourgeois educational system and fascist rules and regulations. National minority groups will further organise against racial discrimination and repression and against the fascist immigration department. Native

Indians will continue their struggle to oust the colonial troops from their land and win back the hereditary rights over their land and people. All these struggles will become one revolutionary torrent which will decrease the possibility of a reactionary civil war and advance the revolutionary war against U.S. imperialism.

With great hopes and revolutionary fervour we welcome 1971, the second glorious year of the decade of liberation. This year:

---MAO TSE TUNG THOUGHT will be disseminated to a still greater stage which will cover the mining areas and the places of work in the cities.

---Underground work of the Party will reach new dimensions. Not only will the Party extend its influence to all major as well as small size cities, but will also establish underground secret groups in the mining and farming areas.

---The Party's work among the Native Indians will be consolidated and the Party will establish branches in various areas with Native Indians as the main force.

---The Party will work tirelessly in revolutionary area committees in order to prepare material conditions for building large scale agitation against U.S. imperialism.

---The Party will continue to strive to unite with all those who are opposing U.S. imperialism in practice and are mobilising the people against our principal enemy through their work.

Anti-imperialist demonstrations erupted all over Canada. Here the people of Regina demonstrate against the U.S. imperialist Army band's "visit" on May 14th.

---The Party will lead the THREE REVOLUTIONARY MOVEMENTS in all areas and will subordinate all other struggles to these leading struggles.

Calgary - July 4th. Mass democracies held to support the Indo-Chinese people's struggle against U.S. imperialist aggression.

Internationally, the first glorious year of the great 1970's brought into existence the united front against U.S. imperialism with the Indo-Chinese and Palestinian people in the forefront and the People's Republic of China as the bright red base area. Chairman Mao issued the Solemn Statement on May 20th and took over the glorious task of leading the world anti-imperialist revolution against U.S. imperialism under the great revolutionary slogan: PEOPLE OF THE WORLD, UNITE AND DEFEAT THE U.S. AGGRESSORS AND ALL THEIR RUNNING DOGS! This inspired the revolutionary people the world over, moving the revolutionary anti-imperialist struggle to a new level.

In the coming year:

---Our Party will continue to follow the May 20th Solemn Statement of Chairman Mao and use it as our guide in building the united front against U.S. imperialism in Canada.

---Our Party will continue to work for developing further ties between the Canadian working class and people and the Chinese working class and people. Our Party hails the formation of diplomatic relations between the two countries and will work towards further intercourse between the two countries.

October 3rd in Montreal. Over 300 people hail the glorious 21st Anniversary of the People's Republic of China.

---Our Party will continue to support the revolutionary anti-imperialist struggles of the Indo-Chinese people, Korean people, the Palestinian people and the working and oppressed peoples of Asia, Africa and Latin America against U.S. imperialism and all their running dogs. We will deepen and broaden the solidarity and support between the three North American Marxist-Leninist Parties - The Communist Party of Canada (Marxist-Leninist), the Communist Party of Quebec (Marxist-Leninist) and the American Communist Workers Movement (Marxist-Leninist) and with other fraternal parties, especially with the Communist Party of Ireland (Marxist-Leninist) and the English Communist Movement (Marxist-Leninist).

In Ottawa, April 18th, hundreds of people demonstrated against U.S. aggression in Vietnam & denounced the fascist police for attacking the progressive people. The fighting spirit shook the nation for its militancy and won the approval of the broad masses present (above).

Comrades and friends: With these programmes in mind we welcome the second year of the great 1970's! With such optimism in the 1970's, the decade of liberation, with such faith in the developing world anti-imperialist revolution, led by our great and glorious leader Chairman Mao, and with such revolutionary resolve which our comrades have shown during the first year, who can say that the Canadian working class and people do not have high hopes and complete faith in victory! The sky is the limit! We want nothing less than having our destiny in our own hands - nothing less than complete independence and freedom from the yoke of U.S. imperialism.

In February, 1970, the birth of the first Mao Tseung Thought Propaganda Team marked the spirit and enthusiasm which also greeted the formation of the Communist Party of Canada (Marxist-Leninist) on March 31st.

Comrades and friends: March along the path opened by the Great Proletarian Cultural Revolution! Dare to struggle, dare to win! Dare to arouse the masses and learn from their experience!

Let the new communist models contend in sacrifice for revolution in the coming year and let the worthy sons and daughters of the working class exercise leadership spiritually, politically, ideologically and organisationally over all those following the bourgeois reactionary line!

Long Live the Canadian working class and people!  
Long Live the communist revolutionaries who participated in the Resistance Movement!  
Long Live the Communist Party of Canada (Marxist-Leninist)!  
Long Live Marxism-Leninism-Mao Tseung Thought!  
Long Live Chairman Mao! A Long, Long Life to Chairman Mao!

### HAIL CHAIRMAN MAO TSETUNG'S SOLEMN STATEMENT OF MAY 20, 1970 IN SUPPORT OF THE STRUGGLE OF THE WORLD'S PEOPLE AGAINST U.S. IMPERIALISM!

A new upsurge in the struggle against U.S. imperialism is now emerging throughout the world. Ever since World War II, U.S. imperialism and its followers have been continuously launching wars of aggression and the people in various countries have been continuously waging revolutionary wars to defeat the aggressors. The danger of a new world war still exists, and the people of all countries must get prepared. But revolution is the main trend in the world today.

Unable to win in Viet Nam and Laos, the U.S. aggressors treacherously engineered the reactionary coup d'etat by the Lon Nol-Sirik Matak clique, brazenly dispatched their troops to invade Cambodia and resumed the bombing of North Viet Nam, and this has aroused the furious resistance of the three Indo-Chinese peoples. I warmly support the fighting spirit of Samdech Norodom Sihanouk, head of state of Cambodia, in opposing U.S. imperialism and its lackeys. I warmly support the joint declaration of the summit conference of the Indo-Chinese peoples. I warmly support the establishment of the Royal Government of National Union under the leadership of the National United Front of Kampuchea. Strengthening their unity, supporting each other and persevering in a protracted people's war, the three Indo-Chinese peoples will certainly overcome all difficulties and win complete victory.

While massacring the people in other countries, U.S. imperialism is slaughtering the white and black people in its own country. Nixon's fascist atrocities have kindled the raging flames of the revolutionary mass movement in the United States. The Chinese people firmly support the revolutionary struggle of the American people. I am convinced that the American people who are fighting valiantly will ultimately win victory and that the fascist rule in the United States will inevitably be defeated.

The Nixon government is beset with troubles internally and externally, with utter chaos at home and extreme isolation abroad. The

mass movement of protest against U.S. aggression in Cambodia has swept the globe. Less than ten days after its establishment, the Royal Government of National Union of Cambodia was recognized by nearly 20 countries. The situation is getting better and better in the war of resistance against U.S. aggression and for national salvation waged by the people of Viet Nam, Laos and Cambodia. The revolutionary armed struggles of the people of the South-East Asian countries, the struggles of the people of Korea, Japan and other Asian countries against the revival of Japanese militarism by the U.S. and Japanese reactionaries, the struggles of the Palestinian and other Arab peoples against the U.S.-Israeli aggressors, the national liberation struggles of the Asian, African and Latin American peoples, and the revolutionary struggles of the peoples of North America, Europe and Oceania are all developing vigorously. The Chinese people firmly support the people of the three Indo-Chinese countries and of other countries of the world in their revolutionary struggles against U.S. imperialism and its lackeys.

U.S. imperialism, which looks like a huge monster, is in essence a paper tiger, now in the throes of its death-bed struggle. In the world of today, who actually fears whom? It is not the Vietnamese people, the Laotian people, the Cambodian people, the Palestinian people, the Arab people or the people of other countries who fear U.S. imperialism; it is U.S. imperialism which fears the people of the world. It becomes panicky at the mere rustle of leaves in the wind. Innumerable facts prove that a just cause enjoys abundant support while an unjust cause finds little support. A weak nation can defeat a strong, a small nation can defeat a big. The people of a small country can certainly defeat aggression by a big country, if only they dare to rise in struggle, take up arms and grasp in their own hands the destiny of their country. This is a law of history.

AGGRESSORS AND ALL THEIR RUNNING DOGS!**
