March 26, 1976

Greetings Again,

We'd like to welcome you to come visit us at our office at 16525 Hamilton or give us a call at 341-0346-7. Between the hours of 10am to 6pm.

We are pleased to announce that the number of signatures has taken a leap to 7,500. But we must step up the pace. Go out and visit your neighbors and friends, tell them about the Communist Labor Party, get them to sign the petition. We have only 34 days until April 30th to ensure the victory of the Communist Labor Party a place on the ballot. It's up to us. So, let's go get Em!!

We know some teachers who have proven themselves worthy of mention by turning in 600 signatures since we've begun the petition drive. Also congratulations to our friends on the east side of Detroit who have turned in 500 signatures. With workers such as these we are sure to be victorious.

Historically the capitalists have tried to restrict the working class from participating in the elections. We must remember the Negro people in their fight for the right to vote, and the women suffrage struggles of the 1920s.

Our class is being attacked again. Recently two bills were introduced in the legislature to limit the number of partys in the voting booth to nine and seven have already made it.

With this move we must work doubly hard to ensure victory in this first stage. The working class will not be represented if it is left up to the Democratic and Republican partys. The Communist Labor Party upholds the banner for Jobs, Peace and Equality. Representing the working class, we will provide the platform that will expose the rotten capitalist system.

In April the Communist Labor Party will be issuing a Michigan People's Tribune. Articles are welcomed to ensure its success.

Please turn in names of persons wanting to be added on our mailing list to the Campaign Committee at 16525 Hamilton or give us a call at 341-0346-7.
